foreword

Here is your "picture book" for the school year 1949-50. It represents no more than an earnest effort to present a pictorial record of our life in Woodrow Wilson in a more-or-less informal way. It is the hope of the staff that the manner of presentation may be considered sufficiently attractive and unique as to cause the holder of this volume to keep and cherish it for future perusal and enjoyment.

The staff (over his protest) wishes to express gratitude to our sponsor, Paul F. Allen, without whose patience and understanding this book could not have been published.

Really, it was fun getting it ready.

THE STAFF

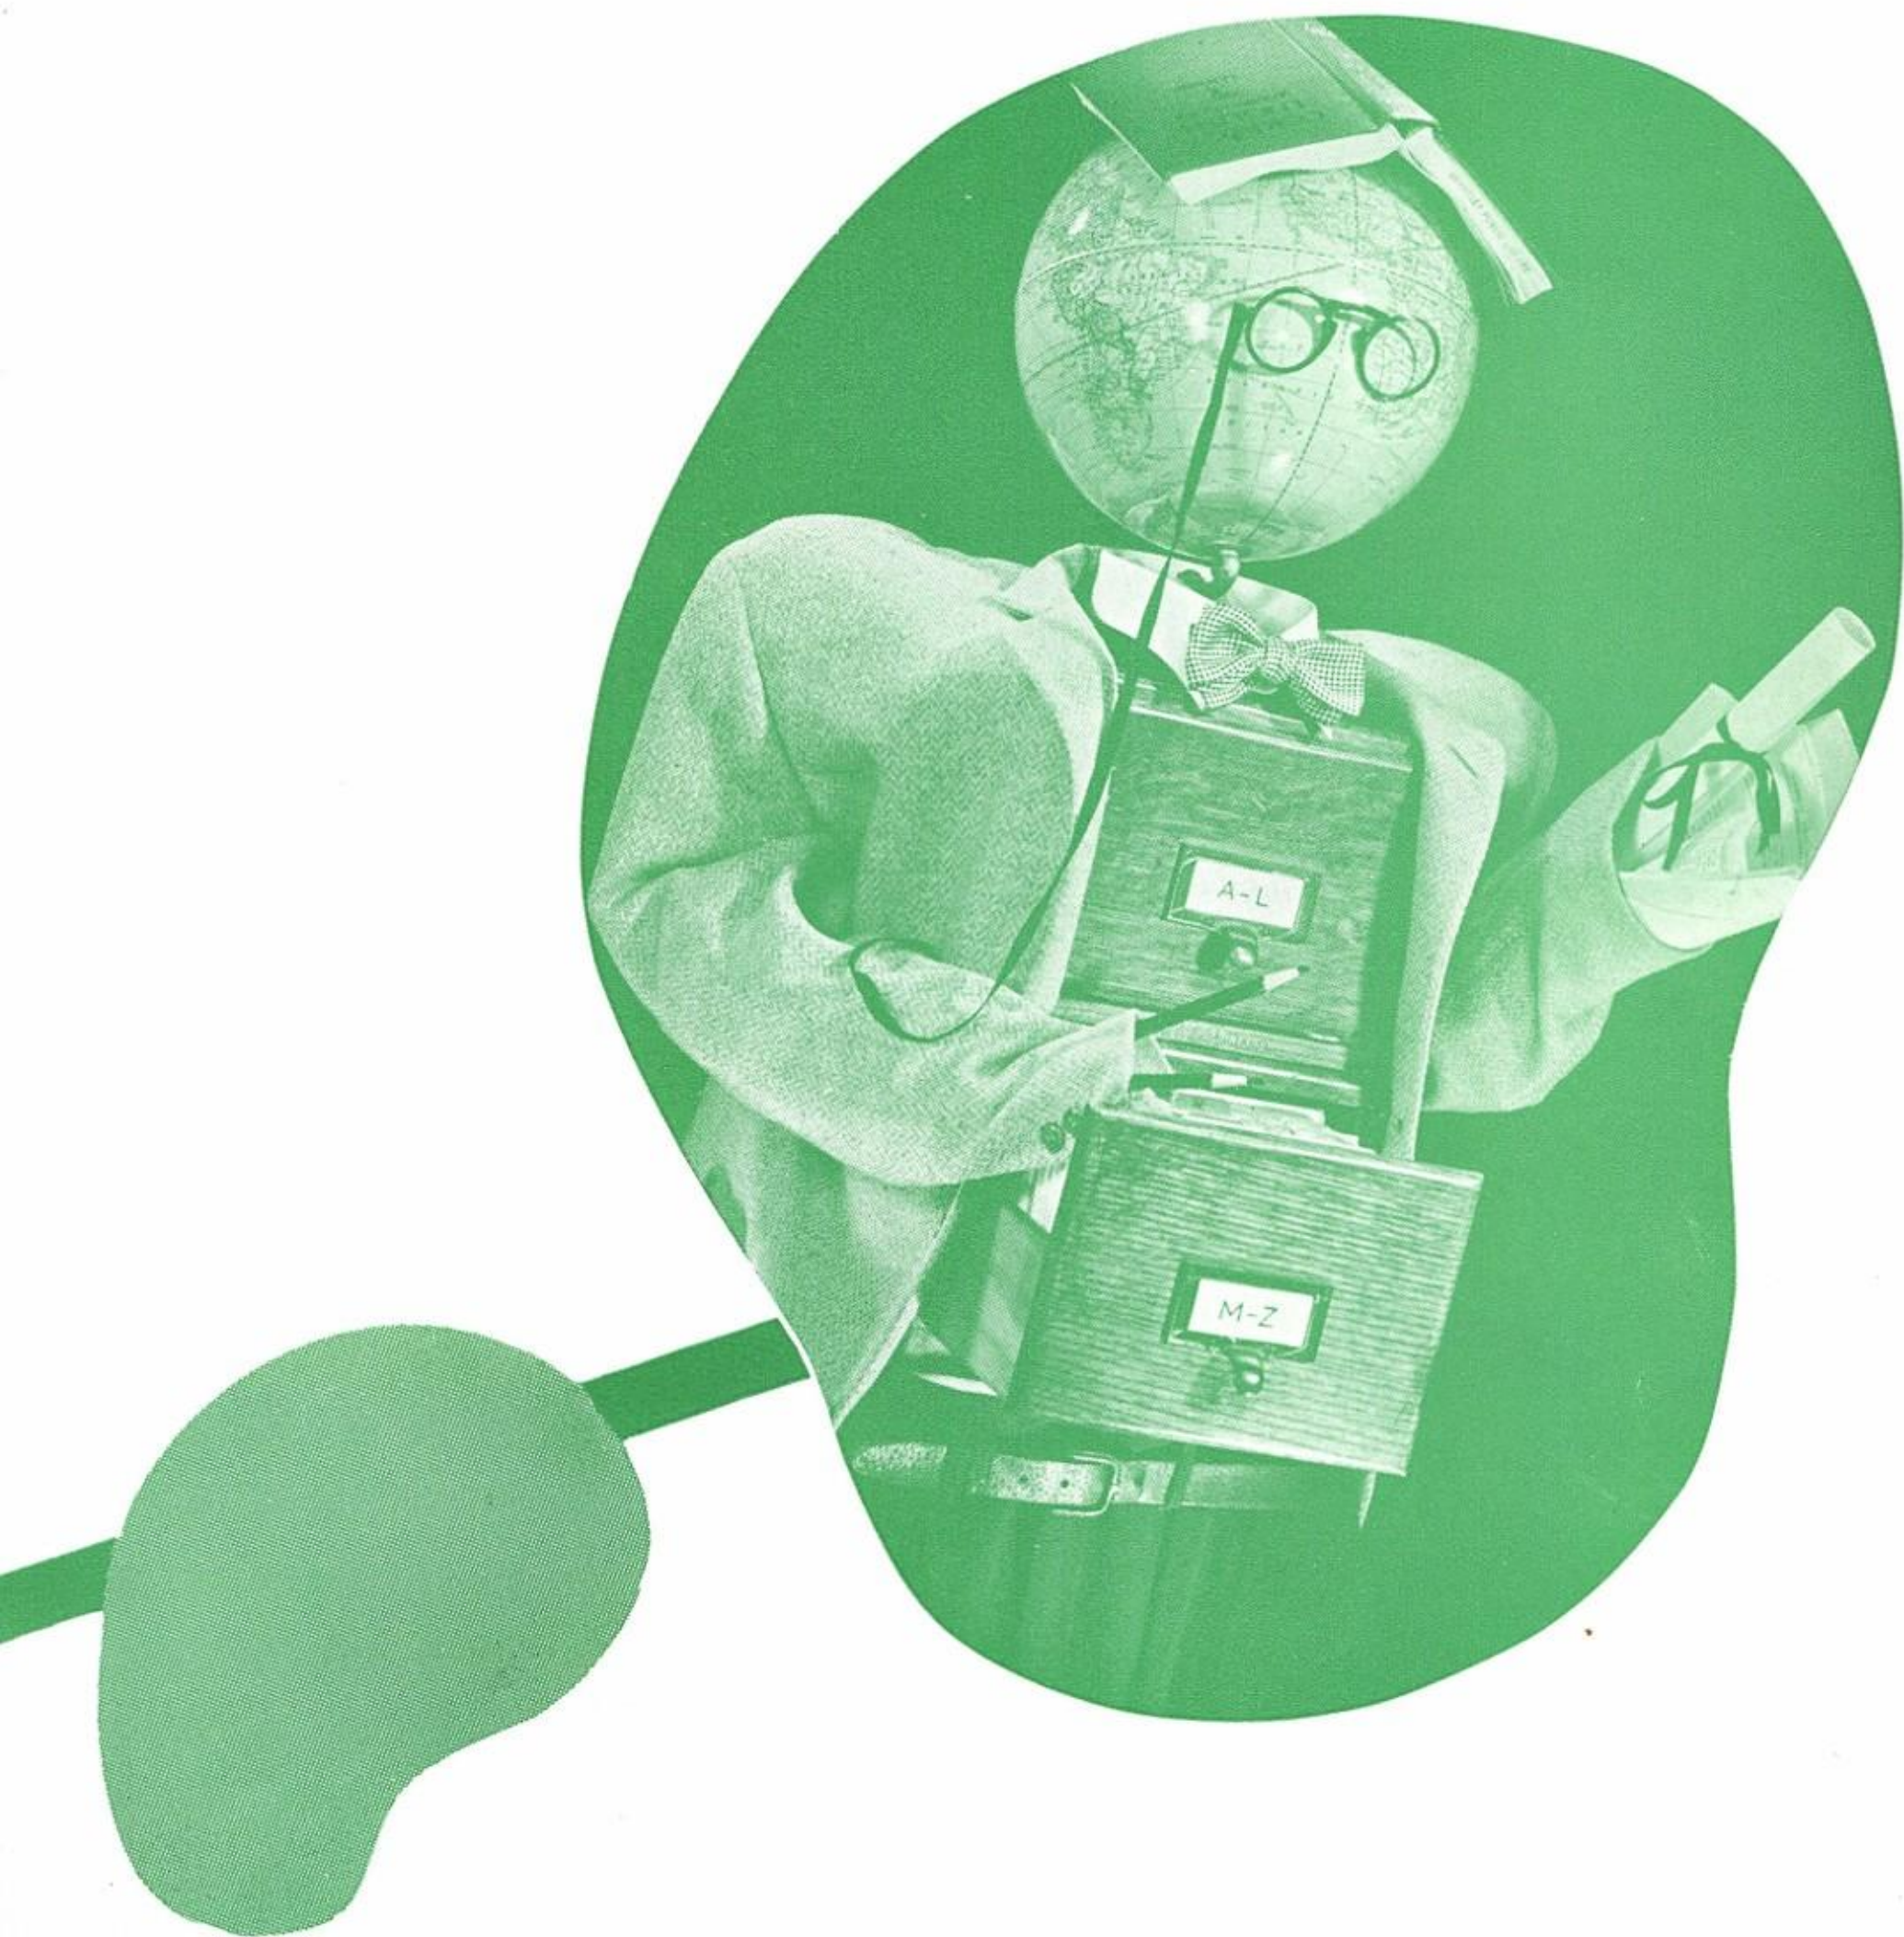

dedication

Because of her faithful and diligent service and understanding guidance which she has extended not only to seniors but to all students, we the staff of the 1950 Crusader, do proudly dedicate our book to the senior counselor,

The Woodrow Wilson Parent-Teacher Association meets regularly in our school library. We are always proud to have our mothers visit our school, and we are appreciative of the many fine things these hard-working women do for us and for Woodrow Wilson High.

dads' club

Our dads co-operate with those from J. L. Long Junior High School to form the Woodrow-Long Dads' Club. They meet alternately at the two schools. Their programs are always good, and many times the whole family attends. We are indebted to this excellent organization for many awards, honors, and materials and for the encouragement of worthy activities.
